Subject: Cobra insurance

Hi Ann,

My last day with Johnstone is September 22nd if not sooner. I need to purchase Cobra insurance until I am available for insurance with my new employer, which will be December 1st. I need to find out how much the insurance costs per month and what kind of coverage do I receive with this type of insurance.

I appreciate your help.

Best Regards

Stephen,

I expect to be in the office briefly today to sign checks and will pick up the Bonus Plans. I take it that Darrell did not remember to bring in the additional clothing items he mentioned he had?

Thanks,
Ken

ADP Termination Distribution.pdf;

Ann,

Assuming Darrell wants to rollover his 401k plan to an IRA, have him complete the attached termination paperwork. He can leave assets in the plan and I can still support him if that's what he wants to do. Paperwork fairly straightforward, but if Darrell needs help completing let me know. Once Darrell signs, have Ken sign off as Plan Adm then email form to: ADPRS.EForms@ADP.com .

Thanks

Importance: High

Hi Paul,

Darrell Sterling has resigned and his last day will be September 22nd. I am doing his exit interview tomorrow. I want to know what form(s) and information you want me to include in his exit packet.

If you can get back to me today with any attachments and verbiage for the term letter, that would be greatly appreciated.

Best, Ann

Participant must be provided with the Special Tax Notice Regarding Plan Payments.

INSTRUCTIONS

The Termination Form is used to process Plan distributions due to a participant's termination of employment (due to retirement, disability, and in the event of Plan termination). All sections must be completed in full for your request to be processed.

STEP 1 Participant Information

Please print and complete this section in full.

STEP 2 Reason for Distribution

Check **one** box as the reason for distribution and enter the termination date (this will be the date that your employment with your employer terminated or the date your employer terminated the Plan. Check with your Plan Administrator if you do not know this date). If you checked Disability as a Reason for Distribution, see your Summary Plan Description to determine if you meet the Plan's definition of disability.

STEP 3 Funds Disbursement Election

Check **one** box (A, B, or C) to identify how you want to be paid and make the applicable elections within each section.

- If you request a 100% cash distribution, you will receive one check payable to you.
- If you request a 100% Rollover, you will receive one check payable to the Institution or Trustee that you indicate on this Form in Step 4.
- If you request a portion of the distribution to be rolled over and a portion to be paid to you in cash, you will receive 2 checks: one payable to the Rollover Institution/Trustee and one payable to yourself.

Note: The "Partial Distribution" and "Installments" options are not available if the reason for your distribution is the termination of the Plan or your account balance (excluding any rollover account under the Plan) is $5,000 or less. Any outstanding loan balance will become taxable upon a full or partial distribution.

Please read the Special Tax Notice for information about rollovers, tax withholding, the early distribution penalty, and other important matters that may affect your distribution. ADP cannot provide legal or tax advice and nothing on the Form or Instructions should be construed as tax or legal advice.

Part or all of your distribution will be taxable. You may elect to rollover just your pre-tax amount and receive any after-tax, if any, as a cash distribution.

STEP 4 Rollover Information

If you requested a Rollover in Step 3, complete section A and/or B in Step 4. Select the type of account to which the Rollover will be made and complete the Name of the Rollover Institution/Trustee to which the check should be made payable. Note: If you are rolling over a distribution to another employer plan, please check with the plan administrator of such plan on specific requirements needed to make the rollover and the specific types of money that the employer plan will accept.

Note on Direct Rollovers of Pre-tax Amounts to a Roth IRA: Direct rollovers are not subject to mandatory federal tax withholding. Therefore, ADP will not withhold any federal tax amount on any direct rollovers, including direct rollovers of pre-tax amounts to a Roth IRA which must be included in your taxable income. **Therefore, you should make sure you are able to pay all required income taxes in connection with such a rollover. You are strongly encouraged to consult with your tax advisor before making your election.**

STEP 5 Participant Acknowledgement and Signature

Read the acknowledgment then sign and date the form.

STEP 6 Return to Your Former Employer or This Form WILL NOT BE PROCESSED.

The Plan Administrator Approval/Signature, date and Recordkeeping Plan # are required.

(form continues on back →)

C. ☐ **Installments** Distribute my vested account balance to me in the form of periodic payments. Only available if your vested account balance excluding any rollover account exceeds $5,000. Not available if the Plan Sponsor is terminating the Plan. Please contact your Plan Administrator if you would like your installments direct deposited. The number of payments may not exceed your life expectancy, or the joint life expectancy of you and your beneficiary. Fill in your elections below:

Installment Payment Start Date (MM/DD/YYYY): ____________

Number of payments: ____________ **OR Payment Amount** ____________

Frequency of Payments (Select One): ☐ Monthly ☐ Quarterly ☐ Semi-annually ☐ Annually

I understand that mandatory 20% Federal Income Withholding tax will apply (and any mandatory state tax withholding may apply) to the taxable portion of my distribution, including any installments payable for a period of less than 10 years. If I elect installment payments for 10 or more years, federal withholding may apply, unless I elect to have no withholding apply.

Note: Regardless of your election, you will remain liable for any federal income tax on the distribution amount. You may also be subject to penalties under the federal estimated tax payment rules if your tax payments and withholding amounts are not sufficient.

☐ Check here if installment payments will be made for 10 years or more and you elect no withholding

STEP 4 Rollover Information (Select destination for your Direct Rollover)

A. **401(k) amounts:** Select the type of account and fill in the name of the institution/trustee to which your Direct Rollover of non-Roth amounts will be made:

☐ **Traditional IRA**

☐ **Roth IRA** (Pre-tax amounts will be included in your taxable income; see Instructions)

☐ **Employer Plan** (Qualified Plan, 403(a) Qualified Annuity, 457 Plan, or 403(b) Tax-Sheltered Annuity)

Make Check Payable to (Fill in Name of Institution / Trustee):

____

NOTE: Pre-tax amounts in your account balance are included in your Direct Rollover before any after-tax amounts. "After-tax" means only the amount in your account which was taxed before it was contributed.

STEP 5 Participant Acknowledgement and Signature

I hereby authorize the distribution of funds from my account according to the directions identified above. I understand that there may be certain penalties, transaction fees and/or taxes due. By signing this form, I certify that within the last 180 days I have received a notice describing the tax consequences of my distribution options and the material features of the optional forms of payment available under the Plan. I am aware that I may have the right under the Plan to defer distribution if my account balance exceeds the Plan's cashout limit. I am aware that the Internal Revenue Service recommends that I take 30 days to consider my distribution options; however, by returning this signed form prior to the expiration of the 30-day period, I hereby waive the 30-day waiting period. Further, I certify that no portion of the benefits to which I am entitled from the Plan is subject to a qualified domestic relations order which would affect the payment of any benefits from the Plan. I understand that there may be penalties and/or taxes due depending upon my particular circumstances.

STEP 6 Return Form to Your Employer or This Form WILL NOT BE PROCESSED

Plan Administrator Approval/Signature:____________________ Date:____________

Recordkeeping Plan #:____________

Plan Administrator should fax completed and approved form to: 1-973-712-7489

- Required minimum distributions after age 70½ (or after death)
- Hardship distributions
- ESOP dividends
- Corrective distributions of contributions that exceed tax law limitations
- Loans treated as deemed distributions (for example, loans in default due to missed payments before your employment ends)
- Cost of life insurance paid by the Plan
- Payments of certain automatic enrollment contributions requested to be withdrawn within 90 days of the first contribution
- Amounts treated as distributed because of a prohibited allocation of S corporation stock under an ESOP (also, there will generally be adverse tax consequences if you roll over a distribution of S corporation stock to an IRA)
- Payments of certain automatic enrollment contributions requested to be withdrawn within 90 days of the first contribution.

The Plan administrator or the payor can tell you what portion of a payment is eligible for rollover.

If I don't do a rollover, will I have to pay the 10% additional income tax on early distributions?

If you are under age 59½, you will have to pay the 10% additional income tax on early distributions for any payment from the Plan (including amounts withheld for income tax) that you do not roll over, unless one of the exceptions listed below applies. This tax is in addition to the regular income tax on the payment not rolled over.

The 10% additional income tax does not apply to the following payments from the Plan:

- Payments made after you separate from service if you will be at least age 55 in the year of the separation
- Payments that start after you separate from service if paid at least annually in equal or close to equal amounts over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary)
- Payments from a governmental plan made after you separate from service if you are a public safety employee and you are at least age 50 in the year of the separation
- Payments made due to disability
- Payments after your death
- Payments of ESOP dividends
- Corrective distributions of contributions that exceed tax law limitations
- Cost of life insurance paid by the Plan
- Payments made directly to the government to satisfy a federal tax levy
- Payments made under a qualified domestic relations order (QDRO)
- Payments up to the amount of your deductible medical expenses
- Certain payments made while you are on active duty if you were a member of a reserve component called to duty after September 11, 2001 for more than 179 days
- Payments of certain automatic enrollment contributions requested to be withdrawn within 90 days of the first contribution.

If I do a rollover to an IRA, will the 10% additional income tax apply to early distributions from the IRA?

If you receive a payment from an IRA when you are under age 59½, you will have to pay the 10% additional income tax on early distributions from the IRA, unless an exception applies. In general, the exceptions to the 10% additional income tax for early distributions from an IRA are the same as the exceptions listed above for early distributions from a plan. However, there are a few differences for payments from an IRA, including:

- There is no exception for payments after separation from service that are made after age 55.
- The exception for qualified domestic relations orders (QDROs) does not apply (although a special rule applies under which, as part of a divorce or separation agreement, a tax-free transfer may be made directly to an IRA of a spouse or former spouse).
- The exception for payments made at least annually in equal or close to equal amounts over a specified period applies without regard to whether you have had a separation from service.
- There are additional exceptions for (1) payments for qualified higher education expenses, (2) payments up to $10,000 used in a qualified first-time home purchase, and (3) payments for health insurance premiums after you have received unemployment compensation for 12 consecutive weeks (or would have been eligible to receive unemployment compensation but for self-employed status).

If you were born on or before January 1, 1936

If you were born on or before January 1, 1936 and receive a lump sum distribution that you do not roll over, special rules for calculating the amount of the tax on the payment might apply to you. For more information, see IRS Publication 575, *Pension and Annuity Income.*

If your payment is from a governmental section 457(b) plan

If the Plan is a governmental section 457(b) plan, the same rules described elsewhere in this notice generally apply, allowing you to roll over the payment to an IRA or an employer plan that accepts rollovers. One difference is that, if you do not do a rollover, you will not have to pay the 10% additional income tax on early distributions from the Plan even if you are under age 59½ (unless the payment is from a separate account holding rollover contributions that were made to the Plan from a tax-qualified plan, a section 403(b) plan, or an IRA). However, if you do a rollover to an IRA or to an employer plan that is not a governmental section 457(b) plan, a later distribution made before age 59½ will be subject to the 10% additional income tax on early distributions (unless an exception applies). Other differences are that you cannot do a rollover if the payment is due to an "unforeseeable emergency" and the special rules under "If your payment includes employer stock that you do not roll over" and "If you were born on or before January 1, 1936" do not apply.

If you are an eligible retired public safety officer and your pension payment is used to pay for health coverage or qualified long-term care insurance

If the Plan is a governmental plan, you retired as a public safety officer, and your retirement was by reason of disability or was after normal retirement age, you can exclude from your taxable income plan payments paid directly as premiums to an accident or health plan (or a qualified long-term care insurance contract) that your employer maintains for you, your spouse, or your dependents, up to a maximum of $3,000 annually. For this purpose, a public safety officer is a law enforcement officer, firefighter, chaplain, or member of a rescue squad or ambulance crew.

If you roll over your payment to a Roth IRA

If you roll over a payment from the Plan to a Roth IRA, a special rule applies under which the amount of the payment rolled over (reduced by any after-tax amounts) will be taxed. However, the 10% additional income tax on early distributions will not apply (unless you take the amount rolled over out of the Roth IRA within 5 years, counting from January 1 of the year of the rollover).

If you roll over the payment to a Roth IRA, later payments from the Roth IRA that are qualified distributions will not be taxed (including earnings after the rollover). A qualified distribution from a Roth IRA is a payment made after you are age 59½ (or after your death or disability, or as a qualified first-time homebuyer distribution of up to $10,000) and after you have had a Roth IRA for at least 5 years. In applying this 5-year rule, you count from January 1 of the year for which your first contribution was made to a Roth IRA. Payments from the Roth IRA that are not qualified distributions will be taxed to the extent of earnings after the rollover, including the 10% additional income tax on early distributions (unless an exception applies). You do not have to take required minimum distributions from a Roth IRA during your lifetime. For more information, see IRS Publication 590-A, *Contributions to Individual Retirement Arrangements (IRAs)* and IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs).*

If you do a rollover to a designated Roth account in the Plan

You cannot roll over a distribution to a designated Roth account in another employer's plan. However, you can roll the distribution over into a designated Roth account in the distributing Plan if your Plan permits. If you roll over a payment from the Plan to a designated Roth account in the Plan, the amount of the payment rolled over (reduced by any after-tax amounts directly rolled over) will be taxed. However, the 10% additional tax on early distributions will not apply (unless you take the amount rolled over out of the designated Roth account within the 5-year period that begins on January 1 of the year of the rollover).

If you rollover the payment to a designated Roth account in the Plan, later payments from the designated Roth account that are qualified distributions will not be taxed (including earnings after the rollover). A qualified distribution from a designated Roth account is a payment made both after you are age 59½ (or after your death or disability) and after you have had a designated Roth account in the Plan for at least 5 years. In applying this 5-year rule, you count from January 1 of the year your first contribution was made to the designated Roth account. However, if you made a direct rollover to a designated Roth account in the Plan from a designated Roth account in a plan of another employer, the 5-year period begins on January 1 of the year you made the first contribution to the designated Roth account in the Plan or, if earlier, to the designated Roth account in the plan of the other employer. Payments from the designated Roth account that are not qualified distributions will be taxed to the extent of earnings after the rollover, including the 10% additional income tax on early distributions (unless an exception applies).
