Important Project and Billing Information

Product

Billing for Payroll Processing Services, HCM and any module bundled into the single per employee per processing fee for payroll, is billed immediately following the client's first payroll processing. The billing count is based on the number of pays submitted during each processing period, therefore total billing may fluctuate.

Billing for all modules bundled under HCM Solutions will begin on the date the ADP Product or Service is available for use by the client in a production environment. The billing count is based on all unique lives in the database paid in the previous calendar month. Any non-terminated employees based outside the United States will be billed separately as International Employees.

Billing for all modules bundled under Talent Activation Suite will begin on the date the ADP Product or Service is available for use by the client in a production environment. The billing count is based on all unique lives in the Workforce Now database paid in the previous calendar month.

Promotion

Promotion will be applied to months 7 and 8 from each product / controls start date (also referred to as the Promotional Period). Actual promotional value may vary based on a number of reasons, including but not limited to: start date, number of processings during the promotional month(s) and actual number of employees paid during the promotional months.

Other

Start Date: Payroll:12/4/2019 | Time:10/31/2019 | HCM:12/26/2019

ADP's Fees for Service will be debited directly out of client's bank account of their choosing seven (7) days from invoice date.

Expiration Date: 10/18/2019
