## We Strive For 10

While serving you today, I have tried to earn a perfect grade. Although perfection is difficult to achieve. We here at Cortese do strive for it! "Truly exceptional" is the only standard accepted by Chrysler!

You may be contacted by an independent survey company on behalf of Chrysler. They will ask you a series of questions related to your most recent visit to our Cortese Service Department. The scoring system is very demanding and only one grade will be accepted as "passing" for me.

**10 = Truly Exceptional Service!**

Please know that the survey is my personal report card. Regardless of the questions asked "it is me", (your service advisor) that is being scored. If the entire experience has not been 100 % for you today please let me know, allowing us the opportunity to correct the problem so that when Chrysler does contact you, you can truly score us with all 10's. Also I am sure that you understand how important it is to me that you recommend me to your family and friends.

**Likely To Recommend = 10**

**Dealer Satisfaction = 10**

There is a "Comment" section of the survey. In that section, please express any comments or concerns that you may have. And at anytime you do not feel that I do not deserve a "9 or a 10" please call 277-3226 and address any comments or concerns. Our customers satisfaction is our number 1 goal and our customers feed back is very important to us.

Thank you for allowing me the opportunity to serve you today!

### INFO

\*\* The Result Of the inspection will be transmitted electronically To DMV, usually within 24 hours.

**Recall Advisory Notice** Any recall information included in this report is based on information supplied to the New York Vehicle Inspection Program at the time of inspection. The program depends on its sources for the accuracy and reliability of its information. Therefore, no responsibility is assumed by NY DMV or its agents for errors or omissions in this report. To check for vehicle recalls, go to [NHTSA.gov/recalls](http://NHTSA.gov/recalls) and enter your vehicle's VIN (vehicle identification number). [NHTSA.gov/recalls](http://NHTSA.gov/recalls) will quickly tell you if your vehicle has not been repaired as part of a safety recall in the last 15 years. In case of an open recall, you may visit a local new car dealer who sells and repairs your brand of vehicle to have it repaired at no expense.
