

Chief Operating Officer (Director of Operations)**Position Summary:**

Reporting to the President, this position is responsible for the design, implementation, operation and improvement of the business systems that deliver the Company's products and services. The Chief Operating Officer (COO) is responsible for the efficiency of the business and provides the leadership necessary to ensure that the Company has the proper operational and financial controls, reporting procedures and people systems in place to drive sustainable growth.

The COO is responsible for designing and establishing policies that promote company culture, driving efficiencies through the business and driving the implementation of strategic planning models. The position accomplishes this through a respectful, constructive and energetic style, guided by the objectives of the Company.

Exit Interview Summaries: Joe Tirabassi and Paul Bisson

Consensus Views:

- Lack of appreciation
- Fight for raises, if receive any
- Taken for granted
- Lack understanding of "my role"
- Personal Growth Opportunity
 - Joe: Where am I going?
 - Paul: Offered, didn't follow through

Joe Tirabassi:

- Lack of appropriate tools to get the job done
- Lack of teamwork – company wide
- Compensation differences between inside/outside
 - Counter helps outside achieve bonus, counter doesn't make theirs
 - Outside earns much more than inside
- Technical skills gap in Rochester
- Technology skills gap outside sales – don't know how to use DDI

Paul Bisson:

- Lack overall plan
 - Company/Branch/Individual
- Anti-Owner:
 - Doesn't know what we do
 - Stuff doesn't get done, ie Technical Service Manager
 - Need to listen, not defend.
 - Decision to leave directly a result of conversation with Ken
 - Tuesday conversation, Saturday approached about job
- Syracuse Market has high technical training need
 - Competition outpacing us with training
 - Overshadows our diversity of products
 - Techs call/text Paul at night
 - Other Johnstones have Technical Service Managers
 - Ask one of them for assistance in developing position
