Gross Commission Guidelines

- Commissions will be calculated as GROSS MARGIN times a commission multiplier
- Sales are tracked as NET SALES, that is, sales excluding taxes, delivery, freight and special charges
- New Accounts will be added to your base using prior twelve month sales and gp data
- RETURNS will be deducted in the month in which they occur and at the commission rate paid out.
- Commissions will be paid out no later than the second pay period of the following month in which the commission is earned.
