'Home & Mailing' address is used on pay statements and tax documents (W-2s , 1099s) for postal delivery, and for tax filing purposes when the employee residence is required. When an employee receives mail at a location other than their residence and has both a mailing address and a home address, the 'Mailing' address is used on pay statements and tax documents (W-2s , 1099s) for postal delivery. The 'Home' address is used for tax filing purposes when the employee residence is required.
