Insurance Fraud Warning

Fraud is a crime

If your application contains purposefully misleading, absent, or inaccurate information, you could be charged with fraud. Your insurance carrier could potentially void your policy, or you could face civil or criminal charges or penalties.

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance containing any materially false information or conceals for the purpose of misleading, information concerning any material fact thereto commits a fraudulent insurance act, which is a crime, and shall be also subject to a civil penalty not to exceed five thousand dollars and the stated value of the claim for each such violation.
