

# Quick Reference to Employee Self Service

## Introduction

Welcome to ADP Workforce Now Employee Self Service. Through Employee Self Service, you can do the following:

- Read about your organization's news.
- Access resources such as forms, calculators, and company policies.
- View or update your personal and work-related information.

## How to Use this Guide

This guide will help you get started using Employee Self Service. It describes the Myself menu options that you may see and the submenu options that you may select to display your information. This guide also describes the actions that you may be able to perform.

## Important Note

Depending on the features that your organization uses, you may not see all of the menu or submenu options that are included in this guide. If your organization is configured, the information that you see and the actions that you can perform may be different.

## Menu Options and Activities

The following tables list the activities for each menu option and describe the actions that you can perform for each one. The specific section of the site that is applicable.

### Important Information

- The Time & Attendance submenu is available only if your organization uses this feature.
  - The information that you see and the actions that you can perform may vary based on how your organization defined the feature during implementation.
  - For more information about Time & Attendance, see the following job aids: *Clocking*, *Time-Based*, *Clocking and Time-Based*, *Hours Based*.
- Note:** If your organization uses ADP's Enhanced Time & Attendance, your time-and-attendance and time-off tasks will differ.
