C. EMPLOYEE CERTIFICATION Return signed form to your employer.

I have received and read the printed material which explains my plan and my options under it. I understand that any expenses paid under this plan must be eligible expenses as governed by Internal Revenue Service (IRS) regulations, must be for services provided for me or a qualifying individual\* and must not be reimbursed from any other source. I also understand that if I or my spouse has a Health Savings Account (HSA), contributions cannot be made to the HSA while there is coverage under a general Health Reimbursement Account (HRA). If the HRA is an HSA-compatible plan (e.g. limited purpose, post-deductible), HSA contributions can be made.

I understand that Federal law requires financial institutions to obtain, verify and record information that identifies each person with an account. I also understand that I may be required to provide identifying information (e.g. social security number, address and date of birth) when making inquiries about my account. I understand that any personal information obtained will not be shared with anyone, including non-affiliated third parties, except as permitted by law. I verify that the information detailed above is true and accurate. I understand that certain information being requested is necessary to comply with the mandatory Section 111 reporting and will be sent to The Centers for Medicare & Medicaid Services (CMS).

If a Beniversal® Prepaid Mastercard® is associated with my HRA:

- I authorize the issuance of a Beniversal Card. I agree to use this card only for eligible medical expenses under the plan for me or a qualifying individual and to be bound by all provisions of the Cardholder Agreement and card promises sent to me with my card. Furthermore, I understand that if my Beniversal Card is used for expenses other than eligible medical expenses or if I violate the terms of the Cardholder Agreement, my account may be suspended and I will reimburse the plan for the expenses. I authorize my employer to deduct any non-approved expense directly from my paycheck on an after-tax basis. I also authorize expenses for replacement cards and paper followup requests to be deducted from my account balance as needed.
- Since the IRS requires that certain purchases made with the Beniversal Card be verified for eligibility, I agree to acquire and retain sufficient documentation for any expense paid with the card and to submit such followup documentation to Benefit Resource upon request.

**C. EMPLOYEE CERTIFICATION** Return signed form to your employer.

I have received and read the printed material which explains my plan and my options under it. I understand that any expenses paid under this plan must be eligible expenses as governed by Internal Revenue Service (IRS) regulations, must be for services provided for me or a qualifying individual\* and must not be reimbursed from any other source. I also understand that if I or my spouse has a Health Savings Account (HSA), contributions cannot be made to the HSA while there is coverage under a general Health Reimbursement Account (HRA). If the HRA is an HSA-compatible plan (e.g. limited purpose, post-deductible), HSA contributions can be made.

I understand that Federal law requires financial institutions to obtain, verify and record information that identifies each person with an account. I also understand that I may be required to provide identifying information (e.g. social security number, address and date of birth) when making inquiries about my account. I understand that any personal information obtained will not be shared with anyone, including non-affiliated third parties, except as permitted by law. I verify that the information detailed above is true and accurate. I understand that certain information being requested is necessary to comply with the mandatory Section 111 reporting and will be sent to The Centers for Medicare & Medicaid Services (CMS).

If a Beniversal® Prepaid Mastercard® is associated with my HRA:

- I authorize the issuance of a Beniversal Card. I agree to use this card only for eligible medical expenses under the plan for me or a qualifying individual and to be bound by all provisions of the Cardholder Agreement and card promises sent to me with my card. Furthermore, I understand that if my Beniversal Card is used for expenses other than eligible medical expenses or if I violate the terms of the Cardholder Agreement, my account may be suspended and I will reimburse the plan for the expenses. I authorize my employer to deduct any non-approved expense directly from my paycheck on an after-tax basis. I also authorize expenses for replacement cards and paper followup requests to be deducted from my account balance as needed.
- Since the IRS requires that certain purchases made with the Beniversal Card be verified for eligibility, I agree to acquire and retain sufficient documentation for any expense paid with the card and to submit such followup documentation to Beniversal Resource upon request.

**C. EMPLOYEE CERTIFICATION** Return signed form to your employer.

I have received and read the printed material which explains my plan and my options under it. I understand that any expenses paid under this plan must be eligible expenses as governed by Internal Revenue Service (IRS) regulations, must be for services provided for me or a qualifying individual\* and must not be reimbursed from any other source. I also understand that if I or my spouse has a Health Savings Account (HSA), contributions cannot be made to the HSA while there is coverage under a general Health Reimbursement Account (HRA). If the HRA is an HSA-compatible plan (e.g. limited purpose, post-deductible), HSA contributions can be made.

I understand that Federal law requires financial institutions to obtain, verify and record information that identifies each person with an account. I also understand that I may be required to provide identifying information (e.g. social security number, address and date of birth) when making inquiries about my account. I understand that any personal information obtained will not be shared with anyone, including non-affiliated third parties, except as permitted by law. I verify that the information detailed above is true and accurate. I understand that certain information being requested is necessary to comply with the mandatory Section 111 reporting and will be sent to The Centers for Medicare & Medicaid Services (CMS).

If a Beniversal® Prepaid Mastercard® is associated with my HRA:

- I authorize the issuance of a Beniversal Card. I agree to use this card only for eligible medical expenses under the plan for me or a qualifying individual and to be bound by all provisions of the Cardholder Agreement and card promises sent to me with my card. Furthermore, I understand that if my Beniversal Card is used for expenses other than eligible medical expenses or if I violate the terms of the Cardholder Agreement, my account may be suspended and I will reimburse the plan for the expenses. I authorize my employer to deduct any non-approved expense directly from my paycheck on an after-tax basis. I also authorize expenses for replacement cards and paper followup requests to be deducted from my account balance as needed.
- Since the IRS requires that certain purchases made with the Beniversal Card be verified for eligibility, I agree to acquire and retain sufficient documentation for any expense paid with the card and to submit such followup documentation to Benefit Resource upon request.

**C. EMPLOYEE CERTIFICATION** Return signed form to your employer.

I have received and read the printed material which explains my plan and my options under it. I understand that any expenses paid under this plan must be eligible expenses as governed by Internal Revenue Service (IRS) regulations, must be for services provided for me or a qualifying individual\* and must not be reimbursed from any other source. I also understand that if I or my spouse has a Health Savings Account (HSA), contributions cannot be made to the HSA while there is coverage under a general Health Reimbursement Account (HRA). If the HRA is an HSA-compatible plan (e.g. limited purpose, post-deductible), HSA contributions can be made.

I understand that Federal law requires financial institutions to obtain, verify and record information that identifies each person with an account. I also understand that I may be required to provide identifying information (e.g. social security number, address and date of birth) when making inquiries about my account. I understand that any personal information obtained will not be shared with anyone, including non-affiliated third parties, except as permitted by law. I verify that the information detailed above is true and accurate. I understand that certain information being requested is necessary to comply with the mandatory Section 111 reporting and will be sent to The Centers for Medicare & Medicaid Services (CMS).

If a Beniversa<sup>®</sup> Prepaid Mastercard<sup>®</sup> is associated with my HRA:

- I authorize the issuance of a Beniversa Card. I agree to use this card only for eligible medical expenses under the plan for me or a qualifying individual and to be bound by all provisions of the Cardholder Agreement and card promises sent to me with my card. Furthermore, I understand that if my Beniversa Card is used for expenses other than eligible medical expenses or if I violate the terms of the Cardholder Agreement, my account may be suspended and I will reimburse the plan for the expenses. I authorize my employer to deduct any non-approved expense directly from my paycheck on an after-tax basis. I also authorize expenses for replacement cards and paper followup requests to be deducted from my account balance as needed.
- Since the IRS requires that certain purchases made with the Beniversa Card be verified for eligibility, I agree to acquire and retain sufficient documentation for any expense paid with the card and to submit such followup documentation to Benefit Resource upon request.
