NOTE: If you purchased prescription glasses and are having a problem with your vision through the lenses, we will recheck the prescription at no charge for a period of 60 days from the date of the exam. After 60 days a charge for the refraction or eye exam will apply to address the concerns.

9/28/21

Dear BRI,

Johnstone Supply employee, Mark Robinson, 119-72-3991, went for an eye exam on 9/24/2021. See attached receipt for \$85.00. There was coverage from his Excellus medical plan as he had not reached the deductible of \$2500.00.

He then went to Visionworks in Brockport, NY with his eye prescription. See attached.

His medical plan only allowed for a discount of \$60 on his eyewear. The Optician gave him

50% off a second pair which was a greater savings than the \$60.

If they applied the \$60 through his plan he would not have been offered

the 50% off his 2nd pair of eyeglasses when he used his HRA card

at both appointments. It was declined.

We are respectfully requesting reimbursement on both expenses.

Sincerely,

Ann Maynard, HR Manager
