Effective 01/01/2021, your policy's anniversary date, rate increases may occur due to specific Employees and/or Dependents who have reached the next age rating category since your last Anniversary Date.

The enclosed report allows you to view all Employees and/or Dependents whose premium will increase due to age changes. This information will assist you when preparing your payroll deductions.

The premium changes will be reflected on your next scheduled billing statement.

Thank you for taking the time to review this report. If you should have any questions regarding this information, please contact us using the toll-free customer service number located on the front of the billing statement.
