Hi Ann

This is to inform you that **Cathleen Goldstone** has completed the EAP program and has remained compliant with recommendations. At this this time the case will be closed. If you have any additional questions please let me know.

Thank you for your Partnership.

Thank you

Jennifer Garcia, LMHC | EAP Management Consultant

Organizational Risk Management, Resources for Living

CONFIDENTIALITY NOTICE: This communication and any attachments may contain confidential and/or privileged information for the use of the designated recipients named above. If you are not the intended recipient, you are hereby notified that you have received this communication in error and that any review, disclosure, dissemination, distribution or copying of it or its contents is prohibited. If you have received this communication in error, please notify the sender immediately by email or telephone and destroy all copies of this communication and any attachments.

NOTICE TO RECIPIENT(S) OF INFORMATION: Information disclosed to you pertaining to certain conditions, such as treatment for alcohol or drug abuse, HIV/AIDS and other sexually transmitted diseases, behavioral health, and genetic marker information is protected by various federal and state laws which prohibit any further disclosure of this information by you without the express written consent of the person to whom it pertains or as otherwise permitted by such laws. Any unauthorized further disclosure in violation of state or federal law may result in a fine or jail sentence or both. A general authorization for the release of medical or other information is NOT sufficient consent for release of these types of information. The federal rule at 42 CFR Part 2 restricts use of the information disclosed to criminally investigate or prosecute
