Subject: Update - C.G.

Good Afternoon Ann,

I hope this email finds you well. I would like to provide an update regarding the mandatory referral for your employee C.G. The employee met her deadline and called in last Thursday 10/1 to complete our intake assessment. She scheduled her first appointment with the provider for this past Monday 10/5. I am awaiting a call back from the provider to confirm attendance and compliance and to obtain the treatment recommendations. As soon as I hear back from the provider, I will send you another follow-up email. Please let me know if you have any questions or concerns at this time.

Best Regards,
