Plan/Rate Summary

Please review this proposal. If you are ready to move forward, contact your Licensed Agent or Sales Representative to discuss the next steps.

Plans quoted in this proposal: 1

- The Core Value plan uses a multiple of the Medicare reimbursement rate (or other derived equivalent) as the basis for reimbursement of physicians and facilities. The member is free to see any provider of their choice. There is no contractual discount arrangement with providers (except for pharmacy, transplants and non-emergency medical transportation). Under the plan, the maximum allowable amount for determining covered charges is set at 130% for outpatient services, 150% for inpatient services, and 100% for kidney dialysis. In some cases providers may not accept this amount as payment in full for services rendered. The Member Advocacy Program is available to help if a member receives a balance bill from a provider for certain amounts in excess of the maximum allowable amount. Members will be responsible for copay, deductible, coinsurance and similar out-of-pocket expenses.
- If claims are less than the aggregate deductible at the end of the run-out period, the employer may be eligible for a refund. Refund amounts, if any, are based on the refund selection at the time of issue or re-issue, as applicable. NOTE: Terminations prior to the end of the plan year will result in forfeiture of the remaining claim fund and no refund will be provided.

I understand that:

- If the final plan selected is Core Value or Core Value Access, the appropriate level of payment for covered charges is determined in accordance with a multiple of the applicable Medicare reimbursement rate or other derived equivalent, as set forth in the plan.
- For the Core Value and Core Value Access plans, there is no participating provider network, except for purposes of pharmacy benefits and designated providers for transplant services (and for Core Value Access, a network is provided for professional services). I understand that plan participants may be balance-billed for charges in excess of the covered charges, and that the Member Advocacy Program may be available to assist in negotiating such bills following notification of such charges.
- For the Core Value and Core Value Access plans, to the extent the Member Advocacy Team negotiates an additional payment, I understand such payment will be paid from the claim fund. I understand the Member Advocacy Program will only be available until the end of the run-out period, taking into account the terminal liability endorsement, if applicable.
- This proposal does not guarantee coverage, rates or effective date. Once all necessary and requested information is received, a final rate will be determined, which may vary from this proposal, based on appropriate rating factors. Rates may be surcharged if an employer sponsors any type of HRA or supplemental gap plan that effectively lowers the employee's out of pocket costs shown in this proposal(s).
- I understand that for the purposes of this proposal, "Allstate Benefits" refers to the stop loss policy underwritten by Integon National Insurance Company in CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.
- I will be held as a plan sponsor for the proposed self-funded employee benefit plan that may be established as a result of this or an updated proposal.
- By signing below, the above Company agrees to make all monthly payments as indicated above including those for stop loss premium, plan administration, sales and general expenses and claim account payments, as adjusted for changes in the composition of the employer health plan, and/or changes in fees or stop loss premiums or as reflected in any updated proposal provided by Allstate Benefits or its representatives. This obligation is binding upon the above Company's and the stop loss insurer's acceptance of this or an updated proposal for self-funded coverage services, as well as issuance of a stop loss policy by this insurer.
- As a plan sponsor, my failure to make all payments or pay required stop loss insurance premiums may result in cancellation of stop loss coverage to the employer's self-funded plan and/or liability against the above Company for any unfunded claims incurred under the employer's self-funded health plan. I agree on behalf of the above Company to indemnify the above stop loss insurance company and its affiliates for any stop losses due to default on this obligation.
- I understand that any termination of the stop loss coverage prior to the end of the plan year will result in forfeiture of any funds remaining in the claim fund, for purposes of administration costs associated with claims that are processed after the early termination date and that Terminal Liability coverage will not be provided.
- As plan sponsor, I am responsible for funding of all Federal and State mandated fees applicable to the plan, which are subject to change. This proposal does not reflect any such fees, including, but not limited to the following: Patient Centered Outcome Research Trust (PCORI) Fee, NY HCRA Assessment Fee, and ME, ID, and NH Immunization and Vaccine Assessments.
- Agents are compensated for the sale of insurance products. Compensation may be based on several factors as permitted by law, including, but not limited to, the total premium or premium equivalent collected from the group; group size; the number of employees or participants; the type of products sold; sales production tiers or a combination thereof. At times, additional compensation may be offered to agents based on short and/or long term marketing promotions. I agree that the sales expense amount built into the administrative expenses shall be payable to the agent/broker listed above for the first year of my participation in the Program.
- If I, as a plan administrator with 100 or more participants, am required to file a Form 5500, I may contact the TPA and I will be provided information needed to file a Schedule A. I also understand that some plans under 100 participants must file a Form 5500. This information should not be construed as legal or tax advice from Allstate Benefits.
- I should contact my legal counsel and/or tax advisor if I have any questions regarding the obligations set forth above.

The Allstate Benefits Self-Funded Program provides tools for small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. For employers in the Allstate Benefits Self-Funded Program, stop-loss insurance is underwritten by Integon National Insurance Company in CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u>?	\$5,750 person/\$11,500 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	\$6,400 person/\$12,800 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billed</u> charges, penalty for not obtaining <u>Preauthorization</u> and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Not applicable.	This <u>plan</u> does not use a <u>provider network</u> . You can receive covered services from any <u>provider</u> .
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
