Policy Term: 12/1/2022 - 11/30/2023

Our offer is based upon the assumptions, limitations, and requirements listed below:

- 1 Terms, including premium rates, are subject to change should the number of enrollees decrease by 10% or more, either in total and/or by single/family mix.
- 2 This is not an insurance contract, nor does it guarantee coverage or effective date.
- 3 I understand that for the purposes of this proposal, "Allstate Benefits" refers to the stop loss policy underwritten by Integon National Insurance Company in CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in WA, CO, and all other states where offered.
- 4 All standard Policy provisions apply. The laws of the state where the policy is issued will apply. For a complete listing of benefits, exclusions, and limitations, please refer to the summary plan description (SPD) and stop-loss policy. In the event that there are discrepancies with the information on this proposal, the terms and conditions of the coverage documents will govern.
- 5 Any stop loss policy issued by us may be rescinded if any information requested in connection with this proposal was intentionally concealed or misrepresented by or on behalf of the Applicant, or if the Applicant commits fraud.
- 6 On the effective date of the Policy, all employees must be actively at work to be covered under the Policy. Dependents must not be confined in a facility or disabled. Exceptions will be excluded from the Policy. Waiver or modification of this qualification is subject to receipt, evaluation and approval of full and complete disclosure.
- 7 As plan sponsor, I acknowledge that I am responsible for funding of all Federal and State mandated fees applicable to the plan, which are subject to change. This proposal does not reflect any applicable State or Federal fees, including, but not limited to the following: Patient Centered Outcomes Research Institute (PCORI) fee, New York Health Care Reform Act Assessment Fee, Maine Vaccine Board Surcharge, Idaho Immunization Assessment, and New Hampshire Vaccine Assessment.

At times, additional compensation may be offered to agents based on short and/or long term marketing promotions. I agree that the sales expense amount built into the administrative expenses shall be payable to the agent/broker listed above for the first year of my participation in the Program.
- 9 Our approval is subject to receipt of Disclosure, Claim Information and any other information requested in connection with this proposal including but not limited to a completed Disclosure Form, Application, first month's payment, signed proposal, final census, and any other required information as stated under the Assumptions or Individual Special Requirements. Such information must be received prior to the proposed effective date. Information contained on the Disclosure Form should be current up to the date of signature, and be completed in its entirety. Failure to do so will result in approval being denied or delayed until a later effective date.
- 10 This proposal assumes a minimum participation level of 75% applies for all eligible enrollees under a contributory plan, and 100% under a noncontributory plan (exception applies for waivers).
- 11 A valid waiver is the documented election of an eligible employee to decline group coverage because they have enrolled in a Spouse's Comprehensive or Major Medical Group Plan, other Group Coverage, Medicare Part B, Medicaid, or TRICARE.
- 12 I understand that any termination of the stop loss coverage prior to the end of the plan year will result in forfeiture of any funds remaining in the claims account, for purposes of administration costs associated with claims that are processed after the early termination date.
- 13 By signing the below, JOHNSTONE SUPPLY THE WALLACE GROUP agrees to make all monthly payments as indicated above including those for stop loss premium, plan administration, sales and general expenses and claim account payments, as adjusted for changes in the composition of the employer health plan. This obligation is binding upon JOHNSTONE SUPPLY THE WALLACE GROUP and the stop loss insurer's acceptance of this or an updated proposal for self-funded coverage services, as well as issuance of a stop loss policy by the insurer. Any failure to make all payments or pay required stop loss insurance premiums may result in cancellation of stop loss coverage to the JOHNSTONE SUPPLY THE WALLACE GROUP self-funded plan and/or liability against JOHNSTONE SUPPLY THE WALLACE GROUP for any unfunded claims incurred under the JOHNSTONE SUPPLY THE WALLACE GROUP self-funded health plan. - 16 This program includes Utilization Review requirements. See SPD for details.
- 17 All active full-time employees working at or above the minimum number of hours per week set by you are eligible. Retirees and COBRA beneficiaries are eligible only if you have requested they be covered, and have disclosed them on the census.
- 18 I will be held as a plan sponsor for the proposed self-funded employee benefit plan that may be established as a result of this or an updated proposal.
- 19 If I, as a plan administrator with 100 or more participants, am required to file a Form 5500, I may contact the TPA and I will be provided information needed to file a Schedule A. - TLL** Plan includes Terminal Liability Coverage for 24 months after the end of the plan year. If claims are less than the aggregate deductible at the end of the plan run-out period, a terminal liability reserve charge will be taken by Allstate Benefits in an amount no greater than 3% of the aggregate deductible.
- DAF:** If claims are less than the aggregate deductible at the end of the run-out period the employer will receive 50% of the claims account balance.
- Note:** Allstate Benefits reserves the right to recalculate the aggregate attachment point and premium if the average of the last 2 months of claims in the current policy period varies by more than 10% from the average monthly claims for the first 10 months of claims in the current policy period.
- Note:** With the Core Value plan, there is no participating provider network, except for purposes of pharmacy benefits and transplant services. The appropriate level of payment for covered charges is determined in accordance with a multiple of the applicable Medicare reimbursement rate or other derived equivalent, as set forth in the plan. I understand that plan participants may be balance-billed for charges in excess of the covered charges, and that the Member Advocacy Program may be available to assist in negotiating such bills following notification of such charges. To the extent the Member Advocacy Team negotiates an additional payment, I understand such payment will be paid from the claims account. I understand the Member Advocacy Program will only be available until the end of the run-out period, taking into account the terminal liability endorsement, if applicable.
