Dear John F. Fetes,

Your surgery has been scheduled at Atlas - 50 George Karl Blvd, Williamsville, NY 14221.

You are to be admitted on 10/19/2022 arrival time is: 9:30 am

Your surgery is going to be outpatient. You **MUST** have a driver with you.

You will be **UNABLE** to eat or drink after midnight the night prior to your surgery unless specified by the doctor.

Pre-surgical evaluation is required for any patient having surgery at this facility.

Testing will include: blood work, urine testing, EKG and chest x-ray. You do not have to fast for this testing. Please have this done at Millard Fillmore Suburban Hospital - Report to Admissions 2 weeks before surgery. Scripts enclosed.

You will also need to have a Covid test done one day before surgery. This can be an at home covid test as long as you are not having any Covid symptoms. If you are having Covid symptoms you will need to have a Covid PCR test done at any Wellnow location 3-5 days prior to surgery.

PLEASE NOTE: You must bring ALL x-rays, CT or MRI films to surgery.

****No need to bring mri done at Dent****

PLEASE STOP Prescription blood thinners five days prior to surgery. If you are on aspirin it is ok to continue taking this. If you are advised to bridge with Lovenox you cannot have any Lovenox 48 hrs before or after surgery.

MEDICAL CLEARANCE: ☒ Applicable ☐ Non-Applicable

Dr. Ashley Skipper, PA-C for 10/12/2022 at 2:15 pm

At 3980A Sheridan Drive Amherst, NY 14221
