List of Visits for this Injury:

Initial Visit - Mon 10.17.22 08:33 AM

For the PATIENT:

For this claim to be paid by Workers' Compensation and not billed to you, please make sure:

1. You report your visit to your Supervisor by phone or in person today, and
2. Your Supervisor completes a First Report of Injury Form (FROI) and sends it RIGHT AWAY to the Workers' Compensation Insurance Carrier or TPA, and
3. The Workers' Compensation Insurance Carrier or TPA provides a claim number for this injury. After getting the claim number, please send it RIGHT AWAY, along with the patient's name, date of birth, and PF ID#, back to the Patient First Occupational Health Department at PatientFirstWC@patientfirst.com or (866) 253-9139.

For the SUPERVISOR:

1. Please have your company's point-person for Workers' Compensation fill out and provide a First Report of Injury Form (FROI) to the company's Workers' Compensation Insurance Carrier or TPA, and
2. Also obtain a claim number for this injury from your Workers' Compensation Insurance Carrier or TPA and provide it RIGHT AWAY, along with the patient's name, date of birth, and PF ID#, back to the Patient First Occupational Health Department at PatientFirstWC@patientfirst.com or (866) 253-9139.
