Dear Jeremaine,

Please find attached your offer letter, and Driver MVR pre-employment screening disclosure. Please complete both attachments and return to me at your earliest convenience. I will also need a copy of your driver's license and social security card.

Once I have your completed documents, you will receive an additional email from CIA (Clear Investigative Advantage) with a link to complete your consent form so that we can process a background check, social security number verification and drug screening. After you submit the consent form, LabCorp will email you an Electronic Chain of Custody Form and instructions for scheduling your drug test.

Please check your email inbox frequently since I will be communicating with you via email throughout the rest of the hiring process.

If you have any questions, don't hesitate to contact me at 585-969-1472.

Sincerely,

Ann Maynard
