The following is a disability and/or PFML – medical leave withholding report (third party sick pay) for the period covering 04/01/2022-06/30/2022. It lists your employees to whom net disability and/or PFML – medical leave payments were made during this period. Review this report carefully to ensure that the taxable benefit is correct as it relates to the employee's premium contributions. If any errors are noted, contact ShelterPoint immediately.

This report is furnished for informational purposes only and is not intended to be filed with any government or tax authority. You may utilize the information in this report to assist in the completion of year-end W-2 tax forms for your employees. For more information on third party sick pay reporting and employer responsibilities, refer to IRS Publication 15A. Any reporting questions should be directed to your tax and accounting advisor.
