Embassy of the United States of America to Madagascar and the Comoros

Protocol – Translator, December 2000 – November 2019

As member of the Front Office team, provided protocol, interpretation and administrative office assistance to the Embassy Front Office (Ambassador, Deputy Chief of Mission, USAID Director). Daily duties included the following:

- Use Microsoft Office Suite, modern office devices and proprietary software to do the following: incoming & outgoing correspondence, copying documents for meetings and ceremonies, filing hard and soft copies of records, maintaining contact database file for the Front Office, answering and making local telephone calls for the Front Office, reserving conference rooms and logistics for meetings and press interviews, sorting and forwarding mail, retiring files and creating listing of contents of each box, coordinating with Department of State official for retiring archive boxes.
- Apply strong written and oral communication skills to coordinate various day-to-day activities: scheduling meetings, managing Front Office and Protocol calendars, translating talking points, meeting minutes and other correspondence.
- Handle multiple projects efficiently and with flexibility: administrative tasks, translation tasks, interpretation tasks, various tasks and errands as needed, working independently or collaborating with a team.
- Manage, track and record expenses for annual Protocol Officers' and Translators' luncheons, coordinate distribution of New Year gratuities, which require reconciliation of inventory, standardized comprehensive recordkeeping, and distribution logs.
- Create, manage and maintain Front Office operating records and prepare reports on such records.
- Maintain Front Office files and archives following established procedures for data entry, logging, numbering, update and retiring.
- Develop and/or modify forms, templates and Standard Operating Procedures for more efficient processing of recurring office tasks; maintain and order office supplies for the Protocol Office.
- Apply strong written and oral communication skills as well as good phone etiquette to provide effective customer service and assistance to the public including U.S. Mission employees.

Youth group, Church of Jesus Christ in Madagascar, Local Congregation

Children's Ministry Director – Volunteer position, November 2008 – July 2013

Provide supervisory leadership and oversight of the Children's ministry team, ensuring each member's consistent execution of vision, values, and programming to ensure the creation of a vibrant ministry environment that allows children to learn and experience on a weekly basis.

Create a healthy team ecosystem through leadership of weekly team meetings, a yearly team retreat, and supporting individual ministry leaders in planning, goal setting, and performance reviews.

Create a culture where volunteers love to serve through accurately assessing needs and leading the development and implementation of ongoing and effective volunteer recruiting, orientation, placement, onboarding, and training.

Perform ongoing assessment of programs, procedures, and systems to determine effectiveness and alignment. Troubleshoot and execute needed changes.

Ensure curriculum is age-appropriate and teacher-friendly, edited to suit the needs of the children and volunteers, delivered in a timely and agreed upon schedule.

Establish and execute a consistent communication plan with parents, utilizing social media, digital and print forms, while treating all children/volunteers/parents/tutors with dignity, respect and fairness at all times.

Prepare and oversee the ministry budget. Maintain a standard of careful stewardship, accurate budgeting, and consistent use of finance approval and reporting systems.

Maintain accurate and timely records of clients/volunteers/donors

Language Proficiency: English, French, Malagasy.

Skills: Windows Office applications and Internet, problem solving, quick decision making, multitasking, time management, outstanding customer service and team spirit.
