RE: Wallace Group 401(k) Profit-Sharing Plan

Dear Becky Kepler, PenServ.Team10@penserv.com

Please be advised that as of 12/30/2022 (at the Close of the Business Day), Wallace Group 401(k) Profit-Sharing Plan will relinquish your firm's duties as Asset Manager and Record-keeper for the Plan.

As of 01/01/2023, the Wallace Group 401(k) Profit-Sharing Plan will be merging into the Wallace Supply, LLC 401(k) Profit Sharing Plan with ADP Retirement Services. Accordingly, we will need to coordinate a trust-to-trust transfer of all assets from the Wallace Group 401(k) Profit-Sharing Plan in order to merge into the Wallace Supply, LLC 401(k) Profit Sharing Plan.

Also, please be advised that Wallace Supply, LLC has contracted with ADP Retirement Services to provide recordkeeping for the trust-to-trust asset transfer from the Wallace Group 401(k) Profit-Sharing Plan and Reliance Trust Company will assume responsibility as Plan Trustee.

We authorize PenServ to directly speak with Troy Magnusson at ADP Retirement Services (ADP, Inc.) and provide him with any information requested related to the above-mentioned plan.

The assets in the Plan are to be liquid and fully settled by 12/30/2022. On 01/02/2023, please wire all assets to ADP pursuant to the following instructions:

Beneficiary Bank Name/Address	State Street Bank & Trust 99 Federal St. Boston, MA 02110
ABA	011000028
Account Name	ADP Inc.
DDA/Account #	0268-0825
Beneficiary Plan Name	Wallace Supply, LLC 401(k) Profit Sharing Plan / Plan Number 283651

ADP will cause the Trustee or Custodian to invest plan assets that are received on a business day as of the close of that business day, provided that the Trustee or Custodian receives a wire transfer of those plan assets prior to **4 p.m. ET** (or close of the NYSE, if earlier) and ADP receives complete and accurate instructions as to the investment of such wire transfer (i.e., an "allocation of such funds in good order") by no later than **2 p.m. ET** (or two hours prior to close of the NYSE, if earlier). If ADP does not receive an allocation of funds in good order by **2 p.m. ET** on a business day, ADP will make diligent, commercially reasonable efforts to facilitate the investment of any such wire transfer as of the close of that business day, but it is ultimately the prior Record-keeper and plan fiduciary's responsibility to ensure that sufficient funds and information are received by ADP in a timely manner sufficient for the transaction to occur on that date. If plan assets are not invested on the date selected by the plan fiduciary because the above requirements were not met, ADP will cause the Trustee or Custodian to invest plan assets on the next following business day as of which requirements have been met.

Please contact me immediately if the requested liquidations will result in contingent deferred sales charges (C.D.S.C.) or any other type of surrender charges.

Since the plan is converting in 2023, PenServ, as the current Record-keeper for the Wallace Group 401(k) Profit-Sharing Plan, will be responsible for performing the Top-Heavy Test based on prior year account balances ending 2022.

We will also require you as the current Record-keeper to perform all non-discrimination testing and 5500 preparations for the prior Plan year ending 2022.

In addition, since this is a plan merger, please be advised that PenServ will be responsible for completing the final 5500 for the Wallace Group 401(k) Profit-Sharing Plan. **(Please note: The 5500 due dates for the final filing is 7 months after the date of the plan merger or transfer of assets.)** We will also require PenServ to complete a final Discrimination Testing for the applicable plan year up to date of asset transfer.

In order to facilitate the transition of data, it is requested that you provide ADP Retirement Services with the following:

Live data in the form of compact disk (CD) or secured email as of the liquidation date. **Please note;** if the plan assets are not liquidated as of the final valuation date, ADP will require an interim valuation report as of the liquidation date. Further, it is requested that all participant and plan level conversion data be forwarded to ADP within five business days.

The data that ADP will need is as follows:

1. A Plan Year-To-Date valuation containing the following information:
 - Participant account balances valued as of the date the plan assets are liquidated. Each participant's account balance must be broken down by contribution type (i.e. employee pre-tax, employer match, profit-sharing, rollover, employee after-tax, etc.)
 - Year-to-date employee pre-tax contributions
 - Year-to-date employer match and/or profit-sharing contributions (if applicable)
 - Earnings (gain/loss)
 - Withdrawals/Distributions
 - Fees (if applicable)
 - An accounting of any other transaction affecting the balance of the trust that is not listed above.
 - Individual Participant Investment Percentage/Allocation by Fund **(provide at start of blackout if possible)**
2. Inception-to-Date 401(k) salary deferral contributions available for hardship withdrawals (Pre 89/Post 88 basis).
3. Inception-to-Date ROTH contribution amounts and the date of the initial ROTH contributions (if applicable).
4. Pre-87 and Post-86 After-Tax contribution amounts, less withdrawals (if applicable).
5. Vested Years of Service as of the prior plan year end.
6. Complete participant indicative data for all participants (including terminated participants) with account balances and termination date (if applicable).
7. Outstanding loan balance for each participant (broken down by contribution type, original payoff date, original interest rate and highest outstanding loan balance for each of the preceding 12 months). Also, the installment payment amount, installment frequency and number of payments remaining should be included.

If you have any participants in the plan with deemed loans, ADP will need the following: loan inactive date, last date interest was updated, rate used to accrue interest on the deemed loan, amount of interest accrued, state and federal tax basis for deemed loan under repayment.

List of suspended participants and their suspension date (participants who took a hardship in the past 6 months and are suspended from making deferrals).
