Core Accounting Responsibilities:

- General ledger account maintenance and reconciliation
- Support month-end, quarter end, and year-end general ledger closing
- Investigation and resolution of accounting discrepancies
- Accounts payable process management and disbursements
- Reconcile, post and process credit card purchases
- Monthly sales tax returns
- Maintain and monitor 1099 compliance
- Maintain accounting controls by preparing and recommending policies and procedures

Core Financial Analyst Responsibilities:

- Identify trends, advise company and recommend actions to management based on sound analysis
- Other analysis as requested by management
- Identify and recommend analysis to improve decision making capabilities

Other Responsibilities:

- Support branch warranty claim management
- Proactively evaluates processes for increased efficiency and effectiveness
- Contribute to a strong relationship with customers and vendors through positive interactions
- Establishes and maintains positive, constructive relationships with company personnel
- Supports Director of Finance & Administration
- May represent Johnstone Supply at trade associations, events and local chapters

Johnstone Supply believes that each employee's contribution should not be limited by the assigned responsibilities. Therefore, it is our expectation that each employee will offer his/her services wherever and whenever necessary to ensure the success of our endeavors.

Qualifications & Experience:

To perform this job successfully, an individual must be able to perform each essential job function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Required:

- Bachelor's degree in Accounting/Finance
- 3+ years relevant experience
- Proficiency in the use of Microsoft Office products – especially Excel

Skills and Abilities:

- Accurate, thorough attention to detail, and strong follow-through
- Capable of consistently prioritizing multiple tasks
- Ability to investigate problems and identify solutions
- Ability to use effective business writing skills to create and edit documents
- Excellent organizational skills
- Strong time management skills
- Excellent telephone and verbal communication skills, with professional demeanor
- Ability to maintain appropriate records
- Ability to work with others in a team-based environment

Expected Work Behaviors

- Completes all transactions and necessary paperwork accurately and in a timely manner
- Motivated, self-disciplined, independent, with an "ownership" mentality
- Maintains confidentiality of information
- Keeps the company's best interest in mind when considering or addressing issues
- Desire to support and meet the needs of customers, suppliers, other employees, and the Company as a whole
- Strives for continuous self-improvement and for business improvement including financial literacy, analytic reasoning and data integrity

Subordinate Summary:

This position has no formal supervisory responsibilities.

Physical Demands & Work Environment

The physical demands and work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical Demands: While performing the duties of this job, the employee is regularly required to sit or stand; walk; use hands to handle or feel; reach with hands and arms; climb or balance; talk or hear; and lift up to 20 pounds. The employee is occasionally required to stoop, kneel, crouch, crawl or smell. Specific vision requirements are close vision, distance vision, depth perception, and the ability to adjust focus.

Office Environment: Typical office building with most work performed at a desk using equipment such as PCs, phones, scanners, copiers, faxes, and paper files.

The Accounting and Financial Analyst will maintain the strictest confidentiality on all corporate matters including, but not limited to: marketing strategies, operational structures, financial performance data and all subjects that may have an adverse effect on the company in the marketplace if they were made known outside the company.
