JOB DESCRIPTION

Job Title: **Branch Manager**
FLSA Status: Exempt
Reports To: General Manager/President

Position Summary:

Working with the direction of the General Manager, the Branch Manager is responsible for the overall store management, store profitability and customer experience in the local market. A Branch Manager is a role model and leader and must direct the daily work of the inside sales, administrative and distribution staff, solve problems, make informed decisions, and manage the workforce and their time wisely in order to achieve maximum results.

Subordinate Summary:

Manages Counter Sales and Service Associates, Warehouse staff, and Delivery Driver(s).

Essential Job Results and Responsibilities:

Team Management

1. Establishes, communicates and models performance expectations for all store team members. Institutes goals for store performance and encourages employees to create self-set goals.
2. Ensures performance expectations are met by monitoring reports, gathering feedback from customers, and observing performance. Works with employees to facilitate attainment of self-set goals.
3. Holds employees accountable for store and self-set goals. Performs formal periodic staff reviews. Provides routine informal feedback to manage employee performance. Takes corrective action as necessary and rewards employees when appropriate. Regularly holds individual performance discussions (i.e. "One-On-Ones") with direct reports.
4. Ensures team members are up-to-date and knowledgeable regarding store operations and the company as a whole by holding regular meetings, and continually providing information and status reports.
5. Participates in the hiring, recruiting and interview processes to identify qualified candidates within established processes and guidelines.
6. Ensures team members have the knowledge and skills needed to perform their jobs by providing regular training. Provides learning opportunities to develop employees for promotion.
7. Ensures adequate staffing levels to meet business needs by establishing working schedules, approving vacation, and cross-training employees to fill in when needed. Reviews appropriate staffing levels with management to optimize productivity.
8. Maintains a neat, tidy and safe working environment by: communicating safety rules; observing and coaching employees in complying with safety rules; removing safety

Branch Manager- Continued

obstacles; complying with all governmental regulations including OSHA, Worker's Compensation, Fire, and MSDS; and ensuring all equipment is maintained and operated in a safe manner including the training and certifications of employees designated to operate equipment.

9. Ensures compliance at the branch level with all company employment policies, and applicable state and federal employment laws.
10. Maintains accurate and up-to-date financial records, store operational records, documentation, and employee performance files.

Business Management and Financial Success

1. Establishes sales, profitability and operational goals for the store in conjunction with management. Develops plans and budgets to meet goals. Regularly monitors performance against goals and takes corrective action where necessary.
2. Provides feedback about market level pricing to management. Manages local discounting and quoting within company guidelines.
3. Manages store inventory to ensure security, accuracy, and ability to meet customer product requirements. Ensures cycle counting program is implemented per established procedures.
4. Manages regular, seasonal, and ad hoc inventory purchasing for the store.
5. Oversees timely and cost-effective handling of customer product returns, warranty processing, freight damage and labor claims, balancing customer requests with company guidelines and procedures.
6. Oversees warehouse and delivery operations, including receiving, labeling, put-away and order fulfillment. Monitors delivery schedules to ensure accurate, on-time delivery of orders.
7. Ensures the security and proper maintenance of all store property, equipment and other assets by managing security procedures, and implementing a regular schedule of equipment maintenance.
8. Rigorous control of store operational costs, including labor, supplies, freight, utilities, etc. to ensure overall store profitability, increase operational efficiency and/or improve productivity without compromising service quality.
9. Ensures that cash drawer is balanced daily and that daily bank deposit made.
10. As needed participation in the collection and prosecution of past due receivables for store customers in conjunction with management.
11. Ensures Owner is up-to-date and knowledgeable regarding store operations by continually providing information and status reports.

Customer Sales and Service

1. Ensures customers receive prompt, professional service in person, over the phone, and electronically (e.g., email, text, etc.) by establishing standards, monitoring interaction quality, and enforcing standards. Works directly with customers, especially during busy times or with key customer accounts.
2. Manages counter sales transactions and ensures that employees increase sales through add-on and suggestive selling techniques.
3. Works to support outside and inside sales activity; develops and/or implements sales programs and promotions; follows through on established programs. Provides information regarding customer buying habits and needs to Outside Sales or management on a regular basis. Performs outside sales calls as necessary.
4. Qualifies prospects to determine their suitability to become a customer.
5. Develops relationships and rapport with customers to establish long-term "win-win" partnerships and encourages employees to do the same.
6. Maintains cleanliness and appearance of the showroom, warehouse and exterior of the

Branch Manager- Continued

facility. Ensures merchandising and advertising displays are updated and rotated regularly to increase sales opportunities.

7. Fosters a unique “shopping” experience through the use of innovative and creative merchandising techniques and services that educate customers and prospects to the diversity of product available for sale and the benefits of doing business with Johnstone Supply.
8. Ensures that customer complaints and disputes are resolved in a timely, professional manner that balances customer requests with business needs.
9. Maintains and updates product knowledge. Stays informed and educated as to product inventory and applicability in order to help customers with product selection.

General Results and Responsibilities

1. Adheres to and enforces all company policies, procedures and business ethics codes.
2. May represent Johnstone Supply at trade associations, events and local chapters.

Johnstone Supply believes that each employee’s contribution should not be limited by the assigned responsibilities. Therefore, it is expected that each employee will offer his/her services wherever and whenever necessary to ensure the success of our endeavors.
