LEARN TO RIDE AT MVCC

For more information or to enroll,
visit gomotorcycling.net or call
Go Motorcycling, Inc. at 315-858-3321.

MVCC continues its relationship with Go Motorcycling, Inc. as Central New York's headquarters for award-winning motorcycle rider training. The ride starts here! Whether you are brand new to motorcycling or have been riding for a while, there's a licensing course for you!

3-Wheeled Basic RiderCourse!

The 3WBRC is an entry-level course comprised of eight hours of interactive classroom learning and about eight hours of hands-on riding instruction on automatic transmission 3-wheeled motorcycles (two wheels in front and one in back).

Students may provide their own trike-style (one wheel in front; two in back) motorcycle for training, but the non-subsidized full tuition of \$275 will apply. You will need to call our office to enroll if using your own motorcycle.

Your successful completion qualifies you for a three-wheeled Motorcycle License Road Test Waiver of the NYS DMV Road Test. Your licensing document will restrict you to three-wheeled motorcycle operation.

Basic RiderCourse (BRC)

The BRC consists of five hours of interactive classroom learning and at least 10 hours of hands-on riding instruction. This course provides the beginning motorcyclist with the basic mental and physical riding skills necessary to minimize risk on the street. Motorcycles and helmets are provided. Successful participants will receive a motorcycle road test waiver.

Basic RiderCourse 2 for License Waiver (BRC2-LW)

The BRC2-LW is designed for individuals 18 years or older that already have some street riding experience and have held a valid New York State Motorcycle Permit for at least one riding season. The course consists of a three-hour online eCourse, two hours of classroom instruction, and approximately five hours of practice riding exercises on your own street-legal motorcycle or scooter. The riding exercises conclude with a skills evaluation. Successful participants will receive a motorcycle road test waiver.

Introductory Motorcycle Experience (IME)

The Introductory Motorcycle Experience (IME) is just two hours long and the class size is small — just three participants! The IME is a program to get familiar with the primary controls of a motorcycle. The IME is a taste of riding without a big investment of time or money.

Basic RiderCourse 2 for Skills Practice (BRC)

The BRC2 is a half-day class for experienced riders who already have their motorcycle endorsement. Using your own motorcycle, you'll practice techniques for managing traction.

MSF RiderCoach Preparation Course (RCP)

Are you a "people person?" Do you love motorcycling? Are you committed to riding safely? Maybe you'd like to join the Go Motorcycling family of MSF-certified RiderCoaches. Each RCP lasts eight days.

CANCELLATION/REFUND POLICY

As decisions to run non-credit classes are based on enrollment, reimbursements for canceled registrations will be made as follows:

- **100% refund:** withdraw three or more business days before class begins
- **50% refund:** withdraw two days or less before class begins (for classes costing less than \$20, your refund is tuition minus a \$10 fee)
- Consideration for withdrawal requests after the first class session must be made in writing to the Center for Corporate and Community Education. CCED is dedicated to customer satisfaction.
Please call 315-792-5300 with questions and concerns.

Security Guard Course Cancellation Policy: Students will be entitled to a 100% refund at any time prior to the start of instruction. 16-hour OJT course: Student will be entitled to a 50% refund if the student cancels after the start of instruction, but before the start of the second eight-hour block of instruction. A DCJS-approved security guard training school cannot assess any non-refundable registration fees, deposits, or cancellation fees.

Inclement Weather/Class Cancellations: If MVCC campuses close, all non-credit CCED classes are canceled as well. Please monitor local media outlets and when in doubt, call our office at 315-792-5300 or visit mvcc.edu.

Did you know that we can train employees at YOUR location? Contact 315-792-5300 for more information on customized corporate training options!

Sign up early to avoid having classes canceled! To avoid any inconvenience to students and instructors, if we do not have a minimum number of students enrolled ONE WEEK before the class is scheduled to start, we must cancel the class.

Do you have an idea for a new course?

We're always looking for new classes and new instructors. If you have an idea for a course that's not in our catalog, contact Carolyn DeJohn at cdejohn@mvcc.edu.

MVCC THEATRE PROGRAM & DRAMA CLUB PRODUCTION: "Quintessentially Odd Ball: Three One-Act Comedies,"

Written by David Lindsay-Abaire and Directed by Paul Cruskie \$

As Black Book says, "It's a raucous, foot-stomping evening which redefines fresh." In "Crazy Eights," Connie comes home late one night and finds her parole officer waiting in her apartment with a torte and a long list of questions. The interrogation/courting dance that follows is complicated by the after-hours arrival of Connie's charming card-playing buddy. In "Baby Food," an off-kilter couple is desperately searching for godparents for their newborn infant. Little do they know that the friends they've chosen are less than adventurous diners and on the verge of a divorce. And in "That Other Person," tonight is the night Ginge and Kevin are going to tell their respective spouses the marriage-shattering secret they've been keeping from everyone. But their bombshell gets put on the back burner when a gorgeous peeping-tom with secrets of her own falls in the pool and nearly drowns.
